### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Rodney Rothwell on 1/29/09. It was agreed to modify claim 32 as follow:

Claim 32, line 1, delete – A computer program product – and add—A computer-readable medium storing a computer program product --.

### **REASONS FOR ALLOWANCE**

2. Claims 1-8, 10-17, 18-25 and 27-32 are allowed.

The following is the Examiner's statement of reasons for allowance.

The prior art or record specifically Koster (Pub. No.: US 20040203909) and Tomida et al (Pub. No.: US 20020054345) fail to suggest or disclose the collective features of the invention such as: a service information input module through which service information regarding a service a customer intends to receive and a customer-chosen method of payment for the service rendered is input and the mobile terminal device includes a display on which a preview image is displayed based on the print data transmitted from the host computer. These features along with the rest of the claim's limitations would render the claims allowable.

Art Unit: 2625
